

Section: 4.0 Public Works
Policy: Fence Repair Policy
By-Law: 2001-80

Date: August 27, 2001
Pages: 1
Revision:

Coverage: This policy shall govern the responsibility of damage to a property owners' fence.

Policy Statement: The Township of Huron-Kinloss will not be responsible for any damages to a property owners' fence deemed to be located on Township road allowance.

Legislative Authority: N/A

Contents: *Snow Removal*

Private fence lines that are damaged by snow impact from Township equipment will be the property owners' responsibility to repair. If there is sufficient evidence that the Township equipment came in direct contact with the fence, then the Township shall be liable for damages at the discretion of Council.

Construction

Private fence lines that restrict road construction or maintenance projects may be temporarily removed by the Public Works Department, as long as the property owner is in agreement. The said fence shall be restored to its original state upon completion of the road construction or maintenance project.
