

The Grey Bruce Public Health Unit has just released a new DVD that demonstrates how to test private water sources. It is approximately 5 minutes long, and can be purchased from the Health Unit for \$5.00/each or viewed on their website at: [www.publichealthgreybruce.on.ca](http://www.publichealthgreybruce.on.ca)

We also have one complimentary copy at the office that can be signed out, if requested.

For additional information on this, or other topics available on DVD, contact Drew Ferguson at 1-800-263-3456 ext. 269, [ferguson.d@publichealthgreybruce.on.ca](mailto:ferguson.d@publichealthgreybruce.on.ca)
