(Mon-Tues by chance)

The BBFG is a non-profit corporation
Sponsorships seed the way to our future
and are gratefully accepted

Gates and fencing are made of bed springs,
waste metal used for rose towers and wire
spool tables. We hope we look as old as the
over 250 varieties of rare, endangered, and
heirloom food plants we showcase. We have
quite a story to tell!

1.5 acres of landscaped space and everything
is **EDIBLE!**

**COMING SOON-THE LADY APPLE
ONE OF THE OLDEST VARIETIES IN EXISTENCE**

Bring a picnic lunch and your binoculars for
bird watching. Paints, easels, and cameras
always welcome!

No pets please. Guide dogs excepted.

Site is barrier free . Barrier free washroom.

Solar hot water, no electricity—we're off grid!
