TOWNSHIP OF HURON - KINLOSS

MOTORIZED VEHICLE USE PERMIT INFORMATION

The Department of Community Services shall consider the following criteria when reviewing all applications for motorized vehicle use on the beach.

- a) protection of the beach through limited and controlled use of motorized vehicles on the beach.
- b) protection of the public investment in the beaches.
- c) minimizing Township expenditures on dune restoration.
- d) workers are aware of the sensitivities of the dunes and its vegetation, and take measures to avoid damage to the dune, and where damage has occurred, to restore the site to pre-disturbance conditions. Workers should strive to ensure that their vehicles have minimal contact time with the beach, and during clean up and maintenance activities, impact as little of the beach-dune area as possible.

The permit will be circulated to Saugeen Valley Conservation Authority Staff, and the MNR for comment.

If approved, a signed copy of the permit will be provided to the applicant.

Depending on the activity being undertaken, a permit may also be required from the Saugeen Valley Conservation Authority under their shoreline regulations. Work undertaken near or in the water may require permission from the federal Department of Fisheries and Oceans and/or Ontario Ministry of Natural Resources.

All damaged Dunes must be restored as per the Huron-Kinloss Beach Stewardship Guide, at the permit holder's expense.

Failure to obtain a permit will result in the maximum fine as per the Ministry of Natural Resources

The traveled area on the beach will be photographed before, during, and after the permit, to properly document the travelled area.

Refundable Deposit: A refundable deposit in the amount of \$1,000.00 shall be collected prior to the issuance of the permit. This deposit shall be refunded by the Department of Community Services less any amounts for dune restoration.

Cancellation of Permit: Where the permit has not been utilized and accepted by the Township within one-year of the date of the permit, then the permit shall be null and void. There will be no refund of the administration fee.

Stop Work Order: A Municipal staff person who finds a contravention of this by-law may make an order to stop all further work, and directing compliance with this by-law.
