STAFF COMMENTS: Council had granted a noise exemption to 316 Hunt Club Drive and while there was no mention of fireworks to staff in the letter an exemption for fireworks denotation could also have been requested. The By-Law Enforcement Officer regularly attends calls in this area and has worked with all the neighbours there to try to “keep the peace”. It is staff’s opinion that that the owner of 315 Hunt Club Drive went through the

proper process to receive an exemption from the noise by-law. Fireworks were not mentioned prior to receiving the exemption and a letter will be sent stating the rules for fireworks denotation.
