1.2 DELEGATIONS

1.3 [Ontario Power Generation \(OPG\)](#) Scott Berry 7:00 p.m.

Scott Berry from OPG will attend Council to update Council on Operations and the Proposed Deep Geological Repository (DGR).

STAFF COMMENTS: The presentation has been attached for your review.

ACTION:

2.0 **PLANNING & BUILDING DEPARTMENT**

2.1 [Building Report](#)

Please find attached the monthly report of the Chief Building Official.

STAFF COMMENTS: The Chief Building Official will be in attendance to discuss the report.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving a *prosperous, vibrant, spirited, accessible and environmentally conscious* community.

ACTION:

2.2 [Notice of Application for a Category 3 Class A Pit Licence](#)

We have received an Aggregate Resources Act Notice of Application for a Category 3, Class A licence to excavate aggregate from a pit of 21.5 hectares located on 94 Torrence Street in the former Kinloss Township.

STAFF COMMENTS: The process for a newly proposed gravel pit falls under the requirements in the Aggregate Resources Act. The applicant must first follow the notification process under the Act and hold an information meeting. This meeting is independent of the planning application and the municipality is only a commenting agency at this point.

The information meeting is scheduled for June 26th, 2014 at 10:00 a.m. at the Lucknow Community Centre. Johnston Brothers (Bothwell) Limited has been hired to provide Surveying and Engineering Services and will be hosting the meeting. The [Notice](#) has been attached for your review. They were required to circulate landowners within 120 metres of the licensed boundary. Any objections to the proposal at this time are sent to the engineer and the MNR as outlined in the notice. Objections must be sent in by July 14th, 2014. Township staff will be attending this meeting.

Since this is a new process for staff and Council we have attached a chart that outlines the [License Application Process](#). This application is at Step 4 in the process. A Planning Application will also be coming forward in the future for this proposal.

The Summary Report is a large document but will be available at the meeting. We will be placing the report on the website early next week for the public and Council's review.

[Aerial map of proposed pit](#)

If Council has any initial concerns we can discuss at the meeting.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving a *prosperous, accessible and environmentally conscious* community.

ACTION:

2.3 [Brown Draft Plan of Subdivision](#)

We have received notice and a request for comments on extending the lapsing date for a Draft Plan of Subdivision (David Brown).

STAFF COMMENTS: We have attached the notice for Council's review. If Council has no concerns, staff recommend approving the two year extension at this time.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving a *prosperous, vibrant, spirited, accessible and environmentally conscious* community.

ACTION:

3.0 FIRE & EMERGENCY MANAGEMENT SERVICES

3.1 Generator Panel/Transfer Switch

A generator panel was installed at D.G. MacDonald & Son for use with the Township generator if emergency fuel access is required for business continuity.

STAFF COMMENTS: DG MacDonald & Son has agreed to cover half the cost of the panel as the generator also lights their office building. We bring this forward for information purposes.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving an *accessible, environmentally conscious and spirited* community.

ACTION:

4.0 BY-LAW ENFORCEMENT & SMALL ANIMAL CONTROL

4.1 [Monthly Report](#)

Please find attached the monthly report of the By-Law Enforcement Officer.

STAFF COMMENTS: The By-Law Enforcement Officer will be in attendance to answer any questions.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving a *prosperous, vibrant, spirited, accessible and environmentally conscious* community.

ACTION:

4.2 Private Game Preserve Licence

We have had an inquiry from Lloyd Graham regarding the private hunting of birds on his property at North Lots 38 - 40 and South Lots 25-28 and 29-30 in the former Kinloss Township.

STAFF COMMENTS: Lloyd Graham is establishing a private game preserve on his property. All properties being hunted on are zoned General Agriculture (AG). This is not under the firearms jurisdiction of the Noise By-law since it is not a residential zone. However, he will have to adhere to Ministry Guidelines regarding discharging a firearm. Mr. Graham will notify his neighbours of the activity. As a professional courtesy, the Ministry of Natural Resources (MNR) notifies the municipality. Any queries can be directed to Jody Scheifley, Senior Fish and Wildlife Technician with the MNR. We bring this to your attention for information purposes.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving a *prosperous, vibrant, spirited, accessible and environmentally conscious* community.

ACTION:

5.0 **PARKS, FACILITIES, RECREATION AND LAKESHORE**

5.1 [Senior Men's Baseball Gang](#)

The Senior Men's Baseball Gang made a donation of \$150.00 for the use of the Point Clark Diamond on Tuesday mornings.

STAFF COMMENTS: The donation value is quite similar to that of an hourly rental charge and the "Baseball Gang" respects the facilities. A letter accompanied the donation and is attached. It is great to see our residents so physically active. We bring this forward for information purposes.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *actions* contribute to our goals in achieving a *prosperous, vibrant, spirited, and accessible* community.

ACTION:

5.2 Municipal Alcohol Policy

We have attached the policy for your review.

STAFF COMMENTS: The Policy addresses both the Municipal License, and any “Special Occasion Permits”. Staff will be present to answer any questions. At this time we recommend to bring forward and adopt the policy at the June Council meeting.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality’s Vision & Mission. The *recommendations* contribute to our goals in achieving a *prosperous, vibrant, spirited, and accessible* community.

ACTION:

5.3 Park Street Soccer Fields

Soccer is a booming sport in Ripley

STAFF COMMENTS: The Ontario Soccer Association has changed goal net sizes, field dimensions, and team composition sizes. The result is two sets of additional nets were required for U12 soccer. The purchase was not included in the budget. We expect increased registrations will help offset most of those costs. We bring this forward for information purposes.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality’s Vision & Mission. The *actions* contribute to our goals in achieving a *prosperous, vibrant, spirited, and accessible* community.

ACTION:

6.0 **FINANCE**

6.1 Municipal Propane Pricing

Staff has prepared a report on the municipal propane pricing.

STAFF COMMENTS: Included in the report

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving a *prosperous, and accessible* community.

ACTION:

6.2 Lucknow & District Joint Fire Board Agreement

We have received a copy of the revised agreement for the Lucknow & District Joint Fire Board. The revised cost sharing is outlined in Schedule "E".

STAFF COMMENTS: The agreement has been attached for your review. If Council concurs the agreement will be brought forward for adoption.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *actions* contribute to our goals in an *accessible* community.

ACTION:

7.0 **DRAINAGE**

No items scheduled.

8.0 DRINKING WATER & WASTE WATER

8.1 Water/Wastewater Summary

Veolia's May summary for the water and wastewater systems will be available at the meeting.

STAFF COMMENTS: We bring this forward for information purposes.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving an *environmentally conscious* community.

ACTION:

8.2 [Huronville Subdivision Distribution System Management Review](#)

Please find attached the annual management review conducted by the Municipality of Kincardine Water Department for the Huronville Subdivision Distribution System.

STAFF COMMENTS: We bring this forward for information purposes.

9.1 Free Day

The Township is hosting annual free day at the Huron Landfill on Saturday June 14th from 10:00 a.m. to 4:00 p.m.

STAFF COMMENTS: We bring this forward for information purposes.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving a *vibrant and environmentally conscious* community.

ACTION:

9.2 Bag Tag Retailer

Village Pizzeria (by the Lighthouse) has requested permission to be a bag tag retailer.

STAFF COMMENTS: Permission was granted by the Director of Public Works. We bring this forward for information purposes.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving a *vibrant and environmentally conscious* community.

ACTION:

10.0 **TRANSPORTATION**

10.1 Paving

Lavis Contracting Co. Ltd. has tentatively scheduled the asphalt paving of Kairshea Avenue and Wolfe Street for the week of June 2nd.

STAFF COMMENTS: Prices agreed upon by the contractor and the Director of Public Works are \$72.75/mt for Kairshea Avenue and \$73.50/mt for Wolfe Street. For comparison purposes, last year's pricing for the Havelock Street topcoat was \$73.00/mt. It is the Director of Public Works intent to coordinate the paving of William Street with the Blake and Malcolm Streets reconstruction. Price is estimated at \$30,000.00 for the street and, while the tonne rate is greater (\$93.00/mt) due to the small amount of volume required, it is the same amount charged by Lavis to the contractor undertaking the Blake and Malcolm Streets project.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving a *prosperous and accessible* community.

ACTION:

10.2 Bridge Replacement in the Municipality of Kincardine

The Municipality of Kincardine is planning to replace a bridge structure on Concession 5 between Sideroads 10 and 15.

STAFF COMMENTS: As per the requirements of the Municipal Class Environmental Assessment, please find attached a letter soliciting the Township's input on the project.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving an *accessible* community.

ACTION:

10.3 County of Bruce Campbell Street Project

The Bruce County Highways Department has indicated they will be on-site as of June 2nd to begin asphalt removal on the Campbell Street project.

STAFF COMMENTS: Bill & Tom Kempton Construction Ltd. is tentatively scheduled to begin the watermain installation on June 9th and believe fifteen working days should complete the installation. During this time the existing water line will remain "live" for the supply of water. The construction zone will be closed to general traffic throughout the project, however it is the County's intention to allow local residents and store owners access to their properties on the understanding there will be periods of delays and inconveniences that are unavoidable. Oversized stops signs and additional school zone signage has been installed on the detour route to address children safety issues, as well as an additional crossing guard to be stationed at the school entrance on Bob Street. It is anticipated the entire project will be completed by the end of July. We bring this forward for information purposes only.

SUSTAINABILITY ALIGNMENT: The information provided in this report is consistent with and in keeping with the Municipality's Vision & Mission. The *recommendations* or *actions* contribute to our goals in achieving an *accessible and prosperous* community.
