Meeting Notes

1.0 Tour

- 1.1 The following areas were viewed and noted: the 2016 water main replacement and road improvement project on Potawatomi Path and area roads, the Bob Street extension work completed in 2015, resulting in a new residential dwelling, and the placement of the existing school crossing ahead signage on Campbell Street.
- 1.2 The group stopped on Concession 10 for a discussion with management on the operations of a turkey breeding facility, and on Concession 12 for a discussion and viewing with the owner of a new building designed for the milking of goats.
- 1.3 Township staff hosted information stops at the RHCC to view drawings for improved space usage within the building, at the Ripley ball diamond to view and walk the area of a proposed pavilion/animal shelter, at the intersection of Concession 12, and Boiler Beach Road to view the proposed location of a walking trail connecting Kincardine to the Huron Kinloss lakeshore and finally an on-site walk of a section of the Lucknow Railway Trail separating two parcels of land recently purchased by the Lucknow Kinsmen, which led to further talks regarding the use of the land, and if to be used for the Music in the Fields event, access locations, municipal servicing and the use of the Railway Trail as a possible emergency exit route.

2.0 Discussions

The group discussed signage improvements for Sideroad 30 north of Concession 10, grading practices and scheduling by public works, the emerald ash bore, the proposed development in Kinlough and how changes to the Official Plan may affect Holyrood.
