Open Air Fire Ban

LUCKNOW, ON: Due to extreme temperatures, lack of substantial precipitation, and an unfavorable long-range weather forecast, the Lucknow & District Fire Department has issued a partial open air ban for all open-air fires within the Ashfield-Colborne-Wawanosh response area, effective immediately.

This includes, but is not limited to:

- Burning of brush or yard waste
- Burning of trees or wood debris
- Burning of old farm buildings or other structures
- Burn barrels

All Open-Air Burn Permits are suspended until further notice.

What is still allowed:

Small, contained recreational fires used for warmth or cooking are permitted only in approved fire pits.

The Fire Chief reminds all residents and visitors to exercise extreme caution with any outdoor fire activity, even those permitted, to help prevent fires and ensure public safety. Never leave your fire unattended and always have means of extinguishment available to put the fire out.

Thank you for your cooperation and understanding.

Jeff Bradley
Fire Chief
Lucknow & District Fire Department
