# Message from the Detachment Command

I am pleased to present the South Bruce Detachment - 2025 Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data, and highlights initiatives and successes from the past year. 2025 was the last year of the 2023-2025 South Bruce Detachment Action Plan and this report will provide a final update and progress results from that plan.

I am proud of the work undertaken by our detachment. In 2025,

- We saw a slight increase in crimes against persons, and we responded by increasing the supports that we provide to victims of crime.
- We showed significant growth in our victim services referrals which resulted in a greater acceptance for support.
- We maintained our commitment to traffic safety and prioritized enforcement of the Big Four causal factors in injuries and deaths relating to motor vehicle collisions on our area highways. We did respond to 1 fatal collision in 2025.
- We responded to and supported many major events in the area including, the Dungannon Tractor Pull, Ripley Reunion and Lucknow Music in the Fields.
- We continued to leverage technology, including body worn cameras, in-car cameras, ALPR, etc. to support the collection of evidence, increase transparency and enhance public and officer safety.
- We continued partnerships with community-based organizations to enhance co-response models that enhance our ability to respond to mental health-related calls. We successfully on-boarded a second Mobile Crisis Response Team (MCRT) member.
- We continued our partnerships with community-based organizations, including Victim Services, to better support victims of crime by connecting them with local resources.
- We continued to engage with groups and organizations in our area to build relationships and promote community safety and well-being. We maintained connections with the local Community Safety and Well-Being Plan and provided leadership to both the Steering Committee and Advisory Committee.
- We supported the development of our members and participated in various training opportunities including Standard Field Sobriety Training, Intimate Partner Violence (IPV) Training, and Breath Technician Training.

In 2026, we will release our new 2026-2029 South Bruce Detachment Action Plan. This is the first action plan developed under the *Community Safety and Policing Act (CSPA)*. We are working closely with our South Bruce OPP Detachment Board and engaging with community members to ensure the needs of our communities are reflected in the commitments we make for the next four years.

Development of the 2026-2029 South Bruce Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan creating organizational alignment.

As we look ahead to emerging challenges and new opportunities in policing and community safety, our detachment members remain committed to our mission to serve our communities, protect our citizens, uphold the law, and preserve public safety.

Detachment Commander

# Summary of Commitments

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
<p>Reduce and prevent crimes against persons while increasing supports for victims of crime.</p> <p>To reduce the number of property crime offences by focusing on the most prevalent types of property crimes.</p> <p>To focus on individuals that traffic illicit drugs in our communities.</p> <p>Enforce repeat offender accountability to the community and justice system while on bail or other release orders.</p>	<p>To focus year-round enforcement on the “Big 4” causal factors (impaired driving, lack of seatbelt use, speeding, and inattentive driving) of motor vehicle collisions causing death and serious injuries on our highways.</p> <p>Continue to participate in the Mennonite and Amish Safety Working Group with a focus on road safety for all vehicles on the highways.</p> <p>Improve winter road closure messaging to ensure the community is well-informed in relation to hazardous driving conditions and winter road closures that will impact their day.</p>	<p>Continue with a collaborative approach with community partners to increase available supports to the most vulnerable community members.</p> <p>Review and reestablish the training committee with the Police-Hospital Transition protocol.</p> <p>Identify local strategies and actively recruit qualified local candidates from our community who may be interested in a career in policing.</p>

## 2025 Crime Progress Results

Commitment	Progress Results
<p>Reduce and prevent crimes against persons while increasing supports for victims of crime.</p>	<p>Unfortunately, 2025 showed a slight increase in crimes against persons. It was a marginal increase, from 302 occurrences in 2024 to 322 occurrences in 2025. We maintained a strong connection with our community and actively worked towards reducing crimes against persons.</p> <p>Victim Services offers increased significantly, with a total of 1,158 offers of support made to victims over the reporting period. Of those offered, almost 300 individuals accepted assistance, reflecting a strong demand for services and highlighting the important role of timely outreach and support for victims. It further highlights the success of the strong collaborative relationship with the South Bruce OPP and Victim Services of Bruce Grey.</p> <p>Officers consistently employed a victim-centred and trauma-informed approach when investigating crimes against persons. Victims’ needs were prioritized throughout investigations, ensuring they felt supported and heard. All individuals affected by crime were treated with dignity and respect, with officers demonstrating empathy and professionalism in every interaction.</p>
<p>To reduce the number of property crime offences by focusing on the most prevalent types of property crimes.</p>	<p>Overall, property crime continued to decline, with both break and enters and thefts demonstrating a sustained reduction. These positive trends reflect meaningful benefits to community safety and are supported by proactive policing strategies and effective patrol efforts aimed at prevention and deterrence.</p> <p>Officers responded to 599 property crime occurrences in 2025 in comparison to 739 property crime occurrences in 2024. The Detachment Community Engagement Officer (CEO) remained responsive to community needs and provided education sessions to vulnerable community members monthly throughout 2025 to raise awareness in relation to fraud prevention and property crimes.</p>
<p>To focus on individuals that traffic illicit drugs in our communities.</p>	<p>The Community Street Crime Unit (CSCU) continued to focus on individuals involved in the trafficking of illicit drugs within our communities.</p>

	<p>Officers responded to 21 occurrences related to Controlled Drugs and Substances Act (CDSA) possession and five occurrences involving CDSA trafficking. In addition, CSCU actively supported regional initiatives that have a direct impact on reducing drug activity and influencing the drug sub-culture within the South Bruce OPP detachment area.</p>
<p>Enforce repeat offender accountability to the community and justice system while on bail or other release orders.</p>	<p>A dedicated position has been established to oversee the Offender Management and Apprehension Program (OMAP), with an officer assigned to a full-time schedule while maintaining a collaborative approach to offender management.</p> <p>This focused and proactive model ensures offenders are appropriately supervised within the community and has shown to have a positive impact on both public safety and officer safety. As it is still a new position, this program should show considerable success in 2026.</p>

## 2025 Roadways, Waterways and Trails Progress Results

Commitment	Progress Results
<p>To focus year-round enforcement on the “Big 4” causal factors (impaired driving, lack of seatbelt use, speeding, and inattentive driving) of motor vehicle collisions causing death and serious injuries on our highways.</p>	<p>Officers remained committed to enforcement initiatives targeting the Big 4 causal factors associated with motor vehicle collisions resulting in serious injury or death.</p> <p>Despite significant winter weather conditions throughout the winter months, officers maintained a strong focus on both enforcement and education, reinforcing safe driving behaviours and reducing risks on local roadways all year.</p> <p>Officers issued a total of 2,261 offence notices in relation to Highway Traffic Act offences in 2025. This number represented a slight reduction from the previous year. 1,554 of those offence notices were in relation to speeding offences, which is a top contributor to injuries and fatalities in motor vehicle collisions.</p> <p>Further to this, officers laid 130 charges in relation to impaired drivers over the year and laid 205 criminal code charges in relation to other traffic violations.</p>
<p>Continue to participate in the Mennonite and Amish Safety Working Group with a focus on road safety for all vehicles on the highways.</p>	<p>In 2025, we remained engaged with our Mennonite and Amish communities and continued to focus on road safety for all vehicles on the highways.</p>
<p>Improve winter road closure messaging to ensure the community is well-informed in relation to hazardous driving conditions and winter road closures that will impact their day.</p>	<p>The 2025 winter was a challenging one in relation to road closures in the South Bruce OPP Detachment area. Winter squalls were a regular occurrence during the winter months. Winter road closure and related messaging showed improvement in 2025. We worked closely with all vested stakeholders (Ministry of Transportation, County Roads, Municipal Roads, Media etc.) to ensure our messaging was clear and concise. We ensured the OPP Provincial Operations Center (POC) maintained consistent messaging, which supported greater awareness and safety for our communities.</p> <p>Each winter season, we aim to continue to improve our processes and messaging.</p>

## 2025 Community Well-Being Progress Results

Commitment	Progress Results
<p>Continue with a collaborative approach with community partners to increase available supports to the most vulnerable community members.</p>	<p>We continued to maintain strong collaborative relationships with community partners, which provided effective supports for our most vulnerable community members.</p> <p>The areas to highlight this success includes the Community Safety and Well-Being Plan (CSWBP), the Situation Table for Acutely Elevated Risk (STAR) and our on-going work relating to a Gender Based Violence Table. Each of these collaborative relationships increase our ability to support our most vulnerable community members.</p> <p>We continued to maintain a strong collaborative relationship with Brightshores Health System. Brightshores now employs 2 MCRT team members who work out of the South Bruce OPP Detachment. They work a full-time schedule, partnered with an officer, responding to mental health calls in the community. By adding a 2<sup>nd</sup> team member in 2025, it has created significant improvements and supports for those experiencing mental health and addictions crisis in our communities.</p>
<p>Review and reestablish the training committee with the Police-Hospital Transition protocol.</p>	<p>We were able to conduct a fulsome review of the Police-Hospital Transition Protocol, which is expected to be re-signed in early 2026. The training committee has maintained operations and provides effective education to officers, which further supports vulnerable community members in mental health crisis.</p>
<p>Identify local strategies and actively recruit qualified local candidates from our community who may be interested in a career in policing.</p>	<p>Recruitment remained a top priority for the South Bruce OPP Detachment. Officers attended a variety of community events, including job fairs, to highlight the opportunity for a rewarding career in policing within the OPP. We hosted a very successful Women in Policing recruitment event and a 6-week Youth in Policing Academy at the detachment. This exposure has brought interest to many community members, and we are starting to see an increase in recruit interest in the area.</p>

## Other Community Updates

South Bruce OPP Detachment members have been highly engaged with the community in 2025. Officers connected with the community while conducting foot patrol, bike patrol and marine patrol. Power Assist Bikes (PABs) continue to be an effective tool for community engagement, and our officers enjoy interacting with the community while utilizing them. They continue to be utilized to patrol area beaches, trail systems, and downtown areas. The South Bruce OPP value community engagement and understand the importance of connecting with the communities we serve. Officers have been engaged with the community at the following events:

- Engaged with community members at the 'Battle of the Badges' hockey games both in Kincardine and Walkerton.
- Participated in the Coldest Night of the Year while interacting with the community and providing a positive community impact.
- Participated in the Polar Plunge to support Special Olympics Ontario.
- Supported a safe 2025 prom season for all area schools. Officers engaged with youth and other community partners to support a safe prom season.
- Participated in #lotsofsocks initiative to support awareness with World Down Syndrome Day. A creative window display brought 100's of community members to the detachment to interact with detachment members.
- Interacted with youth at the Saugeen Valley Children's Safety Village and provided general safety overviews to the youth.
- Engaged with the community and supported area PRIDE flag raising ceremonies and interacted with the community at the Kincardine PRIDE events in June.
- Engaged with the community while conducting marine patrols and ensured safety on our waterways. Our officers supported a police presence on the water during the annual Canada Day fireworks display.

South Bruce OPP continues to thrive through strong and meaningful community engagement. Members recognize the importance of building positive relationships and maintaining open connections with the communities they serve. With this commitment at the forefront, South Bruce OPP looks ahead with optimism and enthusiasm toward a successful and collaborative year in 2026.

# Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the *Community Safety and Policing Act (CSPA)*

To support SDM implementation, the OPP is undertaking a multi-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond effectively to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Meet municipal expectations for police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (Figure 1). These targets reflect how time should ideally be distributed by the end of the SDM staffing strategy.

The targets are based on a provincial average, and variations are expected between detachments due to differences in geography, operational structure, recruitment and leave of absence rates.

Detachments may face challenges in achieving these targets, but progress is expected as scheduling, data quality and strategic deployment continue to improve.

## #KNOWWHENTOCALL

9-1-1 is for emergencies only: If there is an immediate risk to someone's life or property.

- ✓ a crime in progress
- ✓ a fire
- ✓ a life-threatening medical emergency

Dialed 9-1-1 accidentally? #Be911Ready. Don't hang up, stay on the line and speak with an OPP Communicator to confirm there's no emergency.

The misuse of 911 ties up emergency lines, communicators and officers, which can result in a slower response to a real emergency and risks the safety of people who may need urgent help.

It is against the law to call 9-1-1 as a joke. Prank 9-1-1 calls can be dangerous and waste valuable emergency resources.
