Where is Huron-Kinloss?

WELCOME | Where is Huron-Kinloss?

Situated along the picturesque east shore of Lake Huron at the south-end of Bruce County, Huron-Kinloss is home to three main communities, Lucknow, Point Clark and Ripley, and many small rural communities. We've heard it said time and time again that people have come for a visit and fallen in love with the area. It's because living in Huron-Kinloss allows us to achieve that elusive work-life balance; our children still play until the streetlights come on and we borrow a cup a sugar from our neighbours because we actually know them. Huron-Kinloss is a perfect place to call home for you, your family and your business.

CELEBRATING 25 YEARS OF HURON-KINLOSS

The Township of Huron-Kinloss is celebrating its 25th anniversary!

- In 1999, the Village of Lucknow, Kinloss Township and Huron Township amalgamated to create the Township of Huron-Kinloss.
- Today, Huron-Kinloss is home to 7,723 people, we have 19 parks, 15km of shoreline, 530 km of roadways, 2 schools, 2 arenas and much more!

WHY AMALGAMATE?

In the late 1990s, the provincial government passed legislation to merge small municipalities. The purpose of amalgamation was to improve efficiency and reduce municipal spending. It was also intended to decrease the number of politicians, without reducing services or accessibility to local elected officials.

Stay tuned for celebration information! www.huronkinloss.com

MUNICIPAL
PROPERTY
ASSESSMENT
CORPORATION

MPAC Property Assessments

MPAC determines property assessments for all properties in Ontario. Municipalities determine revenue requirements, set municipal tax rates and collect property taxes to pay for municipal services. The Government of Ontario establishes the province's assessment and taxation laws and determines education tax rates.

The Ontario government postponed the 2020 Assessment Update due to the Covid-19 pandemic. On August 16, 2023, the Ontario government filed a regulation to amend the Assessment Act, extending the postponement of a province-wide reassessment through the end of the 2021-2024 assessment cycle. Property assessments for the 2024 property tax year will continue to be based on fully phased-in January 1, 2016 current values. This means your property assessment for the 2024 property tax year will be the same as the 2023 tax year, unless there have been changes to your property.

We are continuously reviewing properties. You may have received a Notice for one of the following reasons:

- change to property ownership, legal description, or school support;
- change to the property's value resulting from a Request for Reconsideration, an Assessment Review Board decision, or ongoing property reviews;
- property value increase/decrease reflecting a change to the property; for example, a new structure, addition, or removal of an old structure; or
- change in the classification or tax liability of the property.

Want to Learn More? To view your property assessment and the information we have on file for your property, you can register for AboutMyProperty on mpac.ca using the Roll Number and Access Key found on your Property Assessment Notice. If you do not have your notice, you can contact us at 1 866 296-6722 (TTY 1 877 889-6722).

Fire Protection & Emergency Management

Jeff Bradley, Fire Chief – Huron-Kinloss Fire & Emergency Services
Ripley-Huron and Lucknow Fire Stations

Fire Safety

The Fire Stations within the Township of Huron-Kinloss are responsible for the provision of fire and emergency response services, ongoing fire prevention and public education programs.

Fire Permits

Fire permits are issued on an annual basis. Recreational fires are exempt from requiring a permit. The Fire Chief is responsible for administering the Open-Air Burning By-Law. Fire permits are available for purchase at the Municipal Office. The fee is \$20.00. Once a fire permit is obtained the permit holder will be required to call the hotline at 1-800-511-9911 prior to igniting an open air fire.

Emergency Management

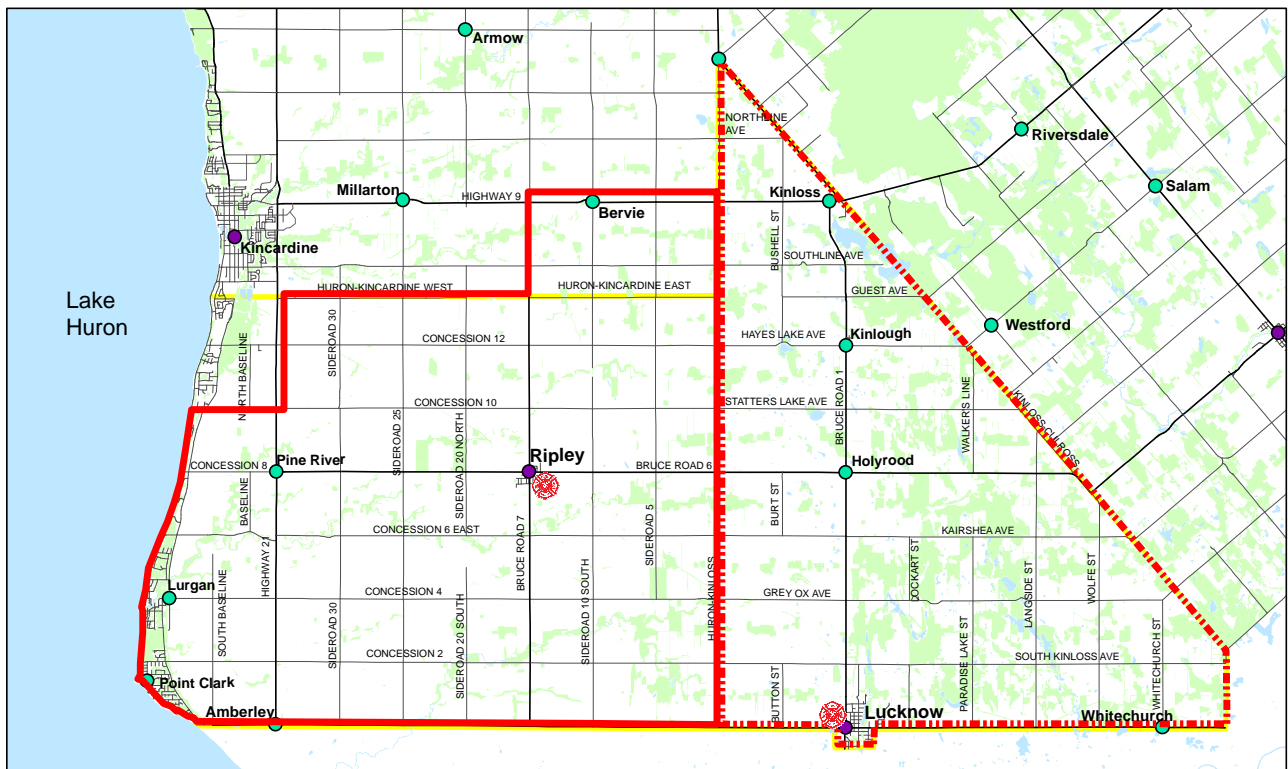

For personal emergencies, you must know your 911 or civic address, which is a combination of your house number, street name and name of your Municipality. Your house/cottage/store number should be clearly visible from the road.

In the event of a disaster or large-scale emergency, first responders may be busy assisting those in immediate danger. Its important for you to have a 72 Hour Kit which should hold enough supplies to support you and your family for three days in an emergency.

Along with a 72 hour kit, have an emergency action plan. It will ensure that you and your family members know what to do and who to call.

Emergency alerts are available at huronkinloss.com, by calling 519-395-3735, or via local radio stations.

By-Laws & Regulatory Information

Heather Falconer, By-law Enforcement Officer

It is the By-Law Enforcement Officer's responsibility to ensure all dogs are licensed within the Township of Huron-Kinloss and to tend to any canine concerns residents may have. It is every dog owner's responsibility to purchase and attach a Township tag to their dog. To report a lost or found dog, contact the By-Law Enforcement Officer by pager at 519-395-3844.

Township By-Law Q&A

Q: I am a business owner and would like to advertise my business on a sign, where can I place my sign?

A: A business sign may be erected at the location of the business. The sign will need to meet size and zoning criteria that can be found in the Sign By-Law No. 2019-140. Signs may also require a building permit. It is important to read the by-law and if you have any questions to contact the Township office.

No sign shall be attached to a tree, hydro pole, Township pole or support, or on Township or public property without Township permission.

Q: Are there regulations to aid with snow removal and alleviate safety concerns during the winter months?

A: According to the Township of Huron-Kinloss Parking Control By-Law 99-20, parking on the road is not permitted between Nov. 1 and April 30, between the hours of 1:00 and 6:00 a.m., to ensure roadways get cleared of snow properly.

Also, the Prohibition of Snow Piling By-Law 2011-136 prohibits snow or ice from being shoveled onto roadways, which can cause safety concerns. Fines may be issued if caught in violation of either of the aforementioned offenses.

The By-Law Enforcement Officer may be contacted with any questions or concerns regarding any enforceable by-law; namely by-laws concerning the protection of persons and property. To voice any questions or concerns please contact the By-Law Enforcement Officer at hfalconer@huronkinloss.com.

Q: How does the Noise By-Law pertain to me?

A: General noise must be minimized between the hours of 11:00 p.m. and 7:00 a.m. the next day (9:00 a.m. on Sundays). Every homeowner should be mindful of neighbouring residents and properties at all times to not disturb the natural enjoyment of their properties. This includes persistent barking or whining of domestic pets.

If you are hosting a celebration or gathering, exemptions to the Noise By-law can be obtained through Council to avoid prosecution. You must apply in writing to council at least 6 weeks in advance of the function. Contact the Clerks department at info@huronkinloss.com for further details.

Q: When can I have a family fireworks display?

A: According to our Noise Control By-Law 2005-101, the detonation of fireworks is prohibited in a residential area except in association with Victoria Day and/or Canada Day celebrations. All family members, tenants and renters visiting property in Huron-Kinloss should be made aware of these restrictions.

Township By-Law Q&A Continued

Q: Where may I ride my Off-Road Vehicle in Huron-Kinloss?

A: The Township of Huron-Kinloss Off-Road Vehicle Use By-Law 2015-89 permits Off-Road vehicles to drive on Township roadways if all operators and the vehicles are properly licensed and they follow all regulations under the Highway Traffic Act.

Off-Road vehicles are not permitted in urban areas such as Ripley or Lucknow or in the area West of Lake Range Drive except to obtain food, lodging or fuel. In no circumstances are Off-Road vehicles permitted on the beach or public trails.

Q: My neighbours' yard is a mess. Is there anything the Township can do to have it cleaned up?

A: The Township of Huron-Kinloss has a Property Standards By-Law No. 2018-100, which deals with the exterior and interior of a building and the yards surrounding it. This By-Law is a minimum maintenance by-law, setting out the minimum standards in which a property must be kept. These health and safety guidelines are in place to protect neighbours as well as the property owners.

Q: What is Giant Hogweed and what should I do with it?

A: Giant Hogweed is designated as a noxious weed in accordance with the Weed Control Act RSO 1990 as well as the Township of Huron-Kinloss Property Standards By-Law. It is very hazardous to human health, if the stem oils come in contact with human skin it may cause severe burns. Giant Hogweed must be killed immediately upon knowledge of its growth; if not done so by the property owner the Township will bring the property into compliance at the expense of the owner. If an established growth is found, it is recommended that a contractor be hired to remove the growth.

Q: I have a raccoon/skunk hanging around my property. What can I do to get rid of it?

A: The Township of Huron-Kinloss does not deal with nuisance wildlife. We can provide the names of local trappers and/or private nuisance animal companies that will remove the animal for you at your expense.

Q: Does the Township have any regulations regarding the waterfront and beachfront area?

A: The Township of Huron-Kinloss has entered an agreement with the Ministry of Natural Resources to help protect our lakeshore. Regulations in the agreement can be enforced by our By-Law Enforcement Officer. Regulations are listed below and are posted at many of the beach access points in Huron-Kinloss.

- No littering
- No golfcarts and motorized vehicles permitted on the beach (by permit only, if a permit is required for equipment on the beach please contact mfair@huronkinloss.com)

- No igniting fireworks

- No harming or removing invasive or native vegetation.

The Township of Huron-Kinloss By-law Enforcement Officer has been appointed by the Ministry as a Public Lands Act Officer, thus giving authority to monitor beach activity, to educate the public and enforce these regulations using an Off-Road Vehicle.

Q: When am I permitted to water my lawn?

A: Lawn Watering By-Law 2010-46 is in effect from June 1 to Sept. 15 annually. Permitted lawn watering is determined by your house number. Even numbered houses may water on even numbered days and odd numbered houses water on odd days of the month. Watering is permitted between 6:00 and 9:00 a.m. and 6:00 and 9:00 p.m. unless you use an automated sprinkler system, which must be set to run between 4:00 and 7:00 a.m. on the property's respective day. Fines will be issued if caught in violation of the lawn watering By-Law.

How do I Report a Problem?

We all want our community to be safe, beautiful and well cared for; so what do you do if you notice a park that needs cleaned, a pothole that needs fixed or a by-law that needs enforced?

How Do I Report Service Requests?

- Download the Huron-Kinloss Connects mobile app from the Apple App or Google Play stores
- Use the web portal at www.huronkinloss.com/report-a-problem
- Call the Municipal Office 519-395-3735
- Call the By-Law Enforcement Officer (By-Law issues only) 519-395-3844

Reporting By-Law Complaints

The Township of Huron-Kinloss Council has authority to pass by-laws to ensure a safe, quiet and peaceful environment for residents. Our By-Law Enforcement Officer responds on a complaint basis; if you see something, you have to report it through the proper channels so we can investigate.

By-Law complaints can be reported through any of the options above but they cannot be reported anonymously. Our By-Law Enforcement Officer needs contact information to confirm the details of your complaint and to follow-up.

What is the Huron-Kinloss Connects Mobile App and Report a Problem Portal?

Avoid waiting in line at the Municipal Office, or trying to figure out who to call to report an issue. Download the Huron-Kinloss Connects mobile app or visit the report a problem web portal at www.huronkinloss.com. The portal is accessible in the blue button at the top of every webpage.

Submitting a request is easy. Touch the big orange button on the homepage of the app. Take a photo of the issue, choose the problem from a list of categories and leave the rest up to us! The best part is that we'll keep you updated with the progress of your request and let you know when it's been resolved.

Download the mobile app from the Google Play or Apple App Store for a quick and comprehensive way to help keep our communities safe and beautiful.

Your request is sent directly to the appropriate department to investigate and fix.

A large, vibrant advertisement for Huron-Bruce Mixed Martial Arts. The background is a collage of photos showing students in various martial arts disciplines: a person in a black gi practicing a technique, a person in a blue gi sparring, a group of students in blue gis standing together, a person in a white gi with 'CANADA' on it, a group of students in black gis, and a person in a red gi sparring. The text 'HURON-BRUCE MIXED MARTIAL ARTS' is prominently displayed in white and green. Below it, 'Brazilian Jiu Jitsu - Kickboxing - MMA' is written in green. A central text block lists class schedules: 'Classes available Mondays, Wednesdays, and Fridays in Ripley' and 'Tuesdays, Thursdays and Sundays in Kincardine'. A circular logo for 'HURON-BRUCE MMA RIPLEY & KINCARDINE' is also present. Two large, glowing green banners read '2 LOCATIONS!' and 'TWICE THE FUN!'. At the bottom, contact information is provided: '46 Queen St Unit 1 Ripley', '336 Lambton St Kincardine', and '519-955-1640'. A Facebook icon is followed by the text 'Find us on Follow and Like!'. The names 'Ripley' and 'Kincardine' are written in large, glowing green letters at the bottom.
