THE MISSION

The Point Clark Pickleball Volunteers were organized to represent current and future participants that come together daily to play pickleball. We foster growth and fair play of pickleball for all ages, skill levels and abilities for all residents and visitors to Huron-Kinloss. The Point Clark Pickleball volunteer mission is to lead in the growth and development of pickleball in Point Clark by focusing on the following three areas:

RECREATION - Increase participation, develop sportsmanship and to foster an inclusive community of pickleball players by organizing open play for all players, introducing pickleball to new players and providing beginner lessons.

COMMUNITY WELL-BEING - By creating shared positive experiences, we build community well-being through social connections, belonging and a sense of value. Participation in pickleball play promotes well-being in the areas of mental and physical health.

ADVOCACY - The focus of the Point Clark Pickleball volunteers is to work closely with the Township of Huron-Kinloss to develop a new outdoor pickleball facility. Our vision is to build the best outdoor pickleball facility possible.

THE GOAL

What we have

What we are fundraising for

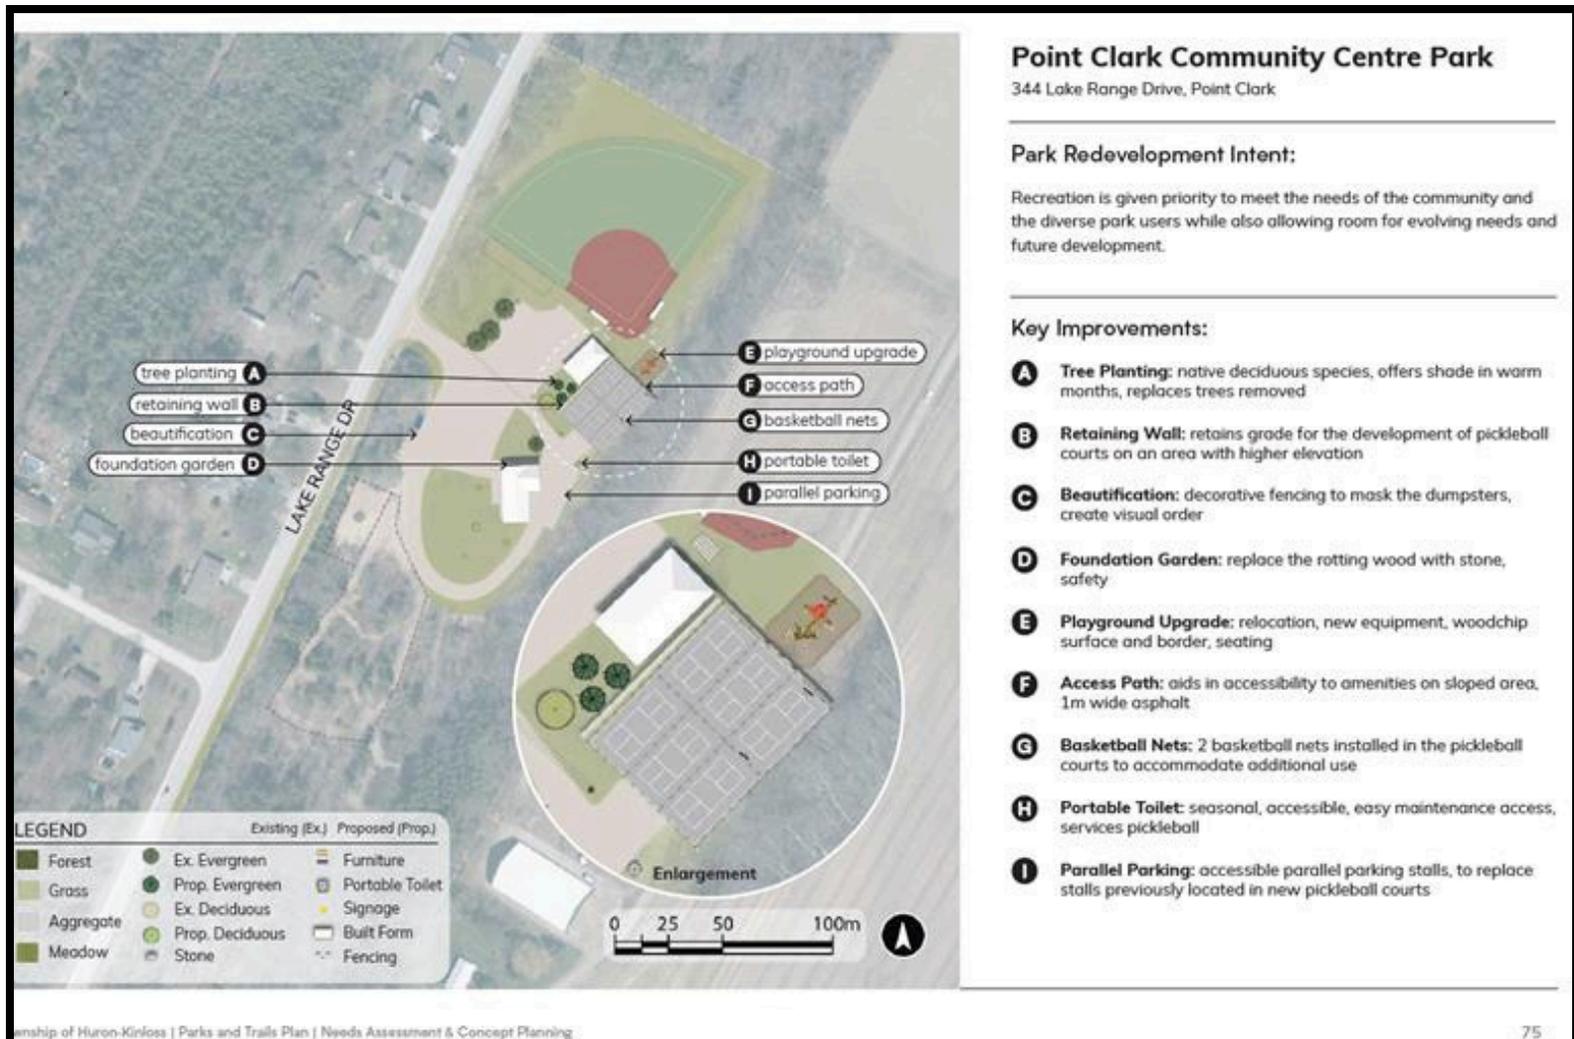

\$527,000

The Point Clark Pickleball Volunteers in partnership with the Township of Huron-Kinloss are fundraising to build a new 6-court Pickleball Facility at the Point Clark Community Centre, while including new basketball nets.

These courts will support community well-being, fitness for adults and youth and bring together local residents and visitors.

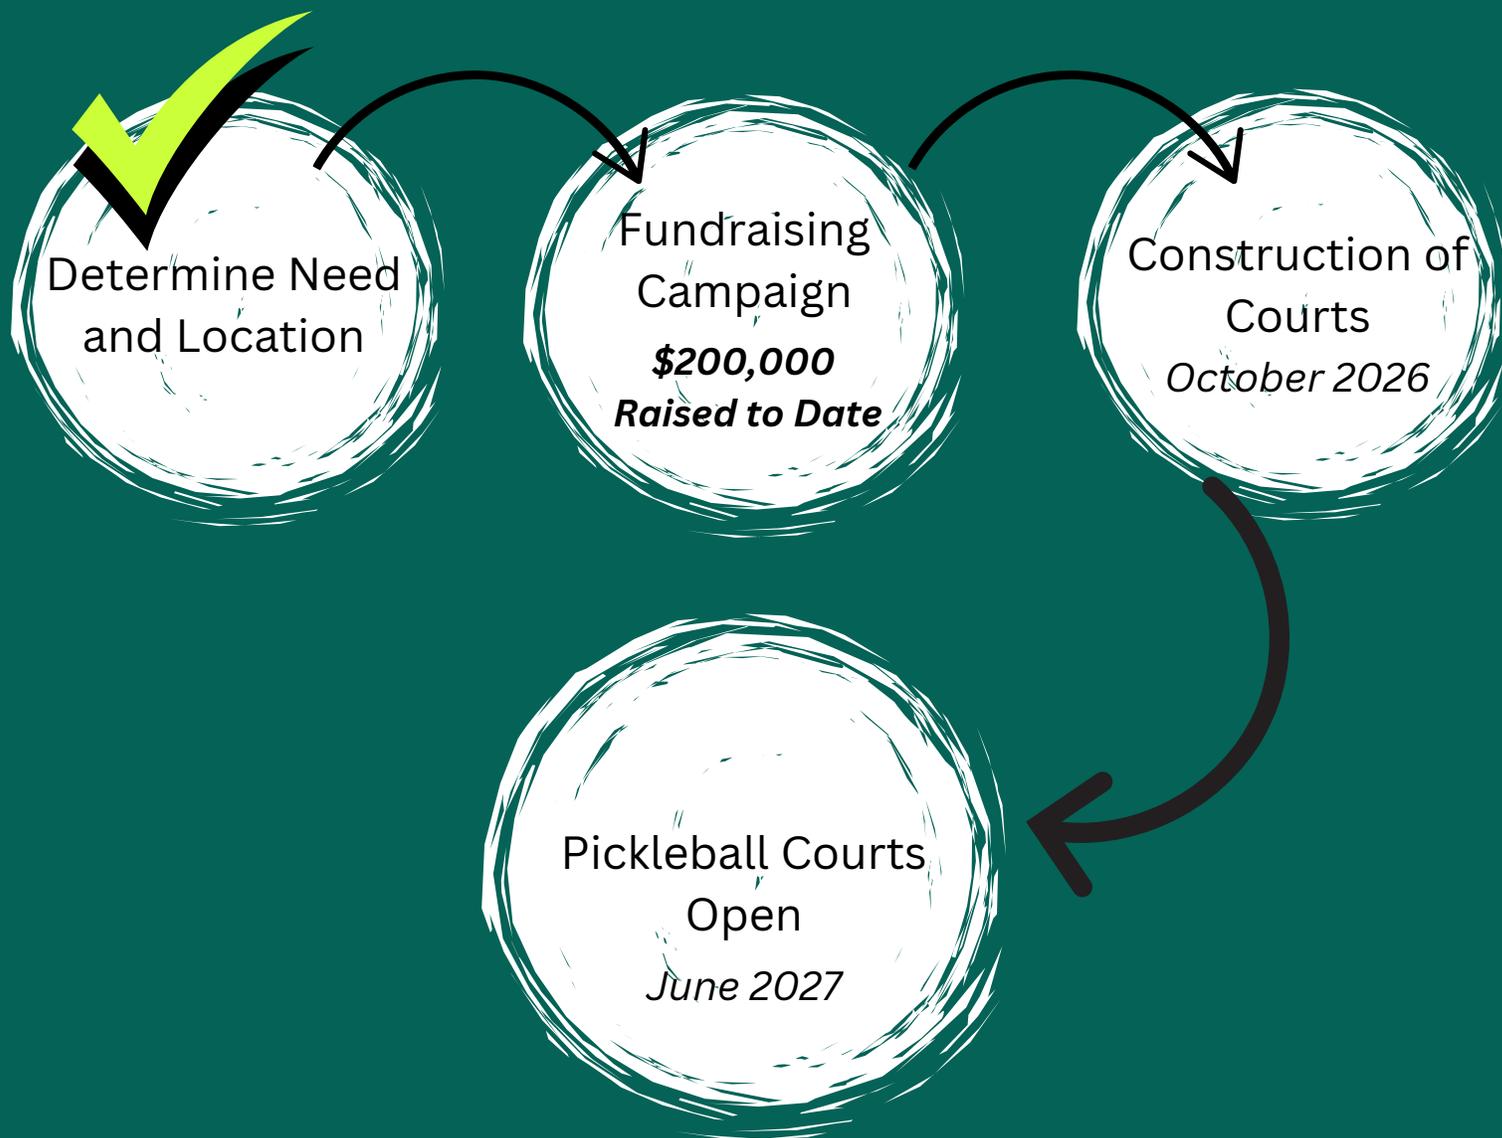

THE PLAN

The recently completed Parks and Trails Plan, along with community feedback, determined a need for Pickleball Courts. Currently, the Point Clark Pickleball players of all ages, play weekday morning in the parking lot.

Creating these new 3-season courts will welcome more players, seven days a week, offer a multi-court pad for youth and be appealing for Pickleball Tournaments and game play!

THE DEVELOPMENT PROCESS

Your Donation will:

- Fund construction of 6 new Pickleball Courts with basketball nets
- Create a common area for adult and youth fitness!
