

Municipality of Kincardine Huronville Quality Management System Policy

The Huronville Distribution System is owned by the Township of Huron-Kinloss.

The Operating Authority is the Municipality of Kincardine.

Together, the Owner and Operating Authority are committed to:

- 1. Ensuring a safe and consistent supply of high-quality drinking water
- 2. Complying with all applicable legislation and regulations
- 3. Maintaining and continually improving the Drinking Water Quality Management System
- 4. Promoting open and effective communication with ratepayers and community members concerning matters of drinking water quality
- 5. Protecting the environment through water conservation and resource stewardship
