Message from the Detachment Commander

I am pleased to present the South Bruce Detachment – 2024 OPP Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data, and highlights initiatives and successes from the past year. 2024 represents the midway point of the South Bruce 2023-2025 Detachment Action Plan and this report provides updates on our progress in meeting our Action Plan commitments.

I am proud of the work undertaken by our detachment and will highlight our continued success in supporting community safety and well-being. In 2024:

- We saw an increase in frauds in our detachment area and responded by continuing with community engagement and education sessions hosted by our Community Engagement Officer.
- Overall, we saw a slight decrease in violent crimes in our community in 2024, with that said, the most prevalent decrease year over year in this area is robbery occurrences and threats of violence occurrences.
- We maintained our commitment to traffic safety and prioritized R.I.D.E. checks and impaired driving enforcement. This resulted in 875 R.I.D.E checks being conducted by officers and 59 impaired driving charges being laid.
- We responded to and supported many major events in the area including, the Dungannon Tractor Pull, Holmdale Rodeo, Cargill Reunion, Elmwood Reunion and Lucknow Music in the Fields.
- We continued to leverage technology, including In-Car Cameras and ALPR technology to support the collection of evidence, increase transparency and enhance public and officer safety.
- We continued our partnership with Brightshores Health System to maintain and enhance our co-response Mobile Crisis Response Team to continue to support our ability to respond to mental health-related calls. With the support of Brightshores Health System, a grant funding application was submitted for consideration in 2024.
- We continued our partnership with Victim Services to ensure better supports for victims by connecting them with local resources. In 2024, officers made 932 offers for Victim Services to victims of crime.
- We continued to engage with groups and organizations in our area to build relationships and promote community safety and well-being. In 2024 we continued to provide leadership with the Steering Committee with the Grey Bruce Community Safety and Well-Being Plan. We also provided leadership to the Crime Prevention Sub-Committee and attended a variety of community events providing education relating to community safety and well-being.
- We supported the development of our members, and they participated in a variety of training opportunities including, Standard Field Sobriety Training, Scenes of Crimes Officer Training, Search and Seizure Training, Intimate Partner Violence Training and Drug Recognition Expert Training.

In 2025, we will be working with the South Bruce OPP Detachment Board to form the 2026-2029 South Bruce Detachment Action Plan. This work will include engaging with community members to ensure the needs of the communities we serve will be reflected in the commitments we make.

Development of the 2026-2029 South Bruce Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan to ensure organizational alignment and support.

The South Bruce Detachment – 2024 OPP Detachment Board Annual Report begins to bridge the gap between *Police Services Act* (PSA) and *Community Safety and Policing Act* (CSPA) reporting requirements. In collaboration with relevant OPP program areas, working groups and the South Bruce OPP Detachment Board, this report will continue to develop in the years to come to include content from the OPP Detachment Board Chair(s) and additional data and updates from the OPP.

From detachment administrative staff to frontline uniform members, to specialty units to supervisors, our members continue to serve with pride, professionalism and honour. As we anticipate future challenges and opportunities for policing and community safety, we remain dedicated to our mission of serving our communities by protecting citizens, upholding the law and preserving public safety.

2024 Crime Progress Updates

| Commitment | Progress Update |
|--|--|
| <p>Reduce and prevent crimes against persons while increasing supports for victims of crime.</p> | <p>Since 2022, crimes against persons have been reduced from 327 occurrences, down to 307 in 2024. The most prevalent reductions are reflected in threats of violence occurrences and robbery occurrences. In 2024 officers investigated a total of 1 robbery occurrence.</p> <p>In 2024, the South Bruce Detachment added a specialized Detective Constable position responsible for overseeing intimate partner violence investigations. This position is known as the Domestic Abuse Issues Investigator (DAII).</p> <p>Through 2024, collaborative efforts have been maintained while working with community stakeholders to begin to establish a gender-based violence specialists table that will work to address gender-based violence in the community.</p> <p>Officers continued to utilize a victim centered and trauma informed approach when investigating crimes against persons. This approach optimizes our investigative excellence while ensuring the victims' needs are prioritized throughout the process. This is achieved by treating everybody with dignity and respect and demonstrating empathy during these challenging situations.</p> |
| <p>To reduce the number of property crime offences by focusing on the most prevalent types of property crimes.</p> | <p>2024 showed a slight increase in property crimes, but the data still shows a significant reduction from 2022. Fraud occurrences remain an on-going challenge as this occurrence type continues to increase. The Community Engagement Officer will remain engaged in public education campaigns aimed at reducing fraud victimization.</p> <p>Break and enter occurrences continued to trend downward and there has been an overall reduction of over 25% since 2022. Officers continued to receive supports from Crime Stoppers of Grey Bruce. Crime Stopper tips remain an invaluable resource to further support property crime investigations.</p> |
| <p>To focus on individuals that traffic illicit drugs in our communities.</p> | <p>Officers continued to focus investigative efforts in the area of trafficking illicit drugs in our communities. The South Bruce Community Street Crime Unit (CSCU) continued to lead many of the drug crime investigations in our area. Our detachment completed 13 drug trafficking investigations and 26 drug possession investigations in 2024. Officers laid 86 Controlled Drugs and Substances Act charges in 2024, which is up from 31 charges in the previous year. This statistic demonstrates our continued commitment to focusing on individuals that traffic illicit drugs in our communities.</p> |

| | |
|--|--|
| <p>Enforce repeat offender accountability to the community and justice system while on bail or other release orders.</p> | <p>Officers continued to maintain a high-level of accountability with respect to repeat offenders in the community while on bail and other release orders. Officers generated 57 Offender Management and Apprehension Program (OMAP) occurrences in 2024. In each of these 57 occurrences, officers interacted with and checked on applicable conditions that were imposed on offenders in the community. This approach supported further accountability to the justice system.</p> <p>Further to this, a Warrant Apprehension Team (WAT) was established in early 2024 and was operational for just under 3 months. 2 officers were assigned to WAT and executed 84 warrants, apprehending offenders in the community. By executing 84 warrants for wanted individuals, these officers were able to continue to improve our community safety.</p> |

2024 Roadways, Waterways and Trails Progress Updates

| Commitment | Progress Update |
|--|---|
| <p>To focus year-round enforcement on the “Big 4” causal factors (impaired driving, lack of seatbelt use, speeding, and inattentive driving) of motor vehicle collisions causing death and serious injuries on our highways.</p> | <p>In 2024 South Bruce Detachment officers responded to 5 fatal motor vehicle collisions on local roadways. This number represents a decrease of 45% from the previous year. Tragically in these 5 fatal motor vehicle collisions, 6 individuals lost their lives.</p> <p>Officers remained dedicated through the year to reducing the “Big 4” causal factors of motor vehicle collisions causing death and serious injuries on our highways. Officers conducted 875 R.I.D.E. checks, which supported further education and enforcement to reduce impaired driving. In total, we laid 120 Criminal Code charges in relation to traffic violations. Further, we laid 2,718 Highway Traffic Act charges in relation to traffic violations. Each of these statistics demonstrate an increase in enforcement year over year to support safer roadways, trails and waterways in the South Bruce OPP Detachment area.</p> |
| <p>Continue to participate in the Mennonite and Amish Safety Working Group with a focus on road safety for all vehicles on the highways.</p> | <p>In 2024 we remained engaged with our Mennonite and Amish communities and continued to focus on road safety for all vehicles on the highways.</p> |
| <p>Improve winter road closure messaging to ensure the community is well-informed in relation to hazardous driving conditions and winter road closures that will impact their day.</p> | <p>Winter road closures and related messaging continued to be challenging, and we will continue to work through those challenges. Through the winter of 2024, we maintained a close working relationship with all the vested stakeholders (MTO, County Roads, Municipal Roads, Media etc.) to ensure our messaging was as effective as possible. The weather presented us with many road closures and we ensured messaging was clear and concise, which ensured our communities were well informed of the risks and challenges associated to the winter road conditions. Each season we aim to continue to improve our processes and messaging.</p> |

2024 Community Well-Being Progress Updates

| Commitment | Progress Update |
|---|---|
| Continue with a collaborative approach with community partners to increase available supports to the most vulnerable community members. | <p>We continued to maintain strong collaborative relationships with community partners, which provided effective supports for our most vulnerable community members. The areas to highlight this success includes the Community Safety and Well-Being Plan (CSWBP), the Situation Table for Acutely Elevated Risk (STAR) and our on-going work with Violence Prevention Grey Bruce in relation to establishing a Gender Based Violence Specialist Table. In 2024 STAR had 23 situations presented to the table, 74% of those situations met the threshold for the individual being at acutely elevated risk. 100% of those cases have been addressed and in 94% of the cases, the situation and individual had their acutely elevated risk lowered, meaning they were in a safer space in the community.</p> <p>We continued to maintain a strong collaborative relationship with Brightshores Health System. Brightshores employs a Mental Health Nurse, who works out of the South Bruce OPP Detachment. The Nurse works a full-time schedule, partnered with an officer, responding to mental health calls in the community. The supports provided by this program have created significant improvements for our vulnerable community members.</p> |
| Review and reestablish the training committee with the Police-Hospital Transition protocol. | We were able to move the Training Committee forward with the Police-Hospital Transition protocol. By doing so, this has provided effective education to officers which further supports vulnerable community members in mental health crisis. |
| Identify local strategies and actively recruit qualified local candidates from our community who may be interested in a career in policing. | Recruitment remains a top priority for the South Bruce OPP Detachment. We were able to attend a variety of community events and highlight the opportunity for a rewarding career in policing with the OPP. At the end of 2024, we were in the beginning stages of planning a Women in Policing Recruitment Event and a 6-week Youth in Policing Academy at the detachment. Both of these events will have a positive impact on recruitment in our area for years to come. |

Other Community Updates

The South Bruce OPP Detachment members have been highly engaged with the community in 2024. Officers connect with the community while conducting foot patrol and bike patrol. Power Assist Bike's (PAB's) were added to the South Bruce OPP Detachment fleet in 2024. Officers have found the PAB's to be extremely useful tools that support on-going community engagement. Through the busy tourist season, officers utilized the bikes to patrol the beaches, piers, trail systems and downtown areas. The South Bruce OPP officers truly value community engagement and understand the importance of connecting with the communities we serve. Officers have been engaged with the community at the following events:

- Engaged with grades 3-6 youth at the 'Team Unbreakable Challenge' supporting the Kincardine area schools (physical fitness program that helps keep the body active and improves mental health).
- Interacted with the community at the Walkerton Summer Streetfest. Officers engaged with 100's of community members and engaged with youth by making buttons.
- Supported a safe 2024 prom season for all of the area secondary schools. Officers engaged with the youth and community partners, including fire and paramedics. They supported traffic safety with key messaging and strategic R.I.D.E. checks.
- Members participated in the #lotsofsocks initiative to support awareness with World Down Syndrome Day. A creative window display brought many community members to the detachment for a positive community interaction.
- Interacted with youth at the Saugeen Valley Children's Safety Village and provided general safety overviews including, personal safety, bike safety, road safety etc.
- Interacted with the community at the 2024 Kincardine Multicultural Celebration. Officers were immersed in the community and celebrated the benefits of inclusiveness and diversity of all the cultures that make up our community.
- Engaged with the community and supported area PRIDE flag raising ceremonies and interacted with the community at the Kincardine PRIDE events in June.

As highlighted, the South Bruce OPP Detachment members will continue to thrive with community engagement. 2024 was a busy year working with the community, and we look forward to an exciting 2025 where we will continue to highlight our successes, while working in collaboration with the community.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the Community Safety and Policing Act (CSPA).

To implement the SDM, the OPP has submitted a seven-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond rapidly to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Address municipal concerns about reduced police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (figure 1). These targets reflect how time should ideally be distributed by the end of the seven-year strategy.

The targets are based on a provincial average and variations are expected between detachments due to differences in geography, operational structure, recruitment and other absences.

In the short term, detachments may face challenges in achieving these targets. Continued improvements in scheduling tools, data integrity, and strategic deployment will support progress toward these goals.

To arrange to meet an officer at a detachment, go to www.opp.ca to use the Local Detachment Finder and follow the prompts.

REPORT AN INCIDENT ONLINE

You have the option to report select occurrences to police from the convenience of a computer.

Visit www.opp.ca/reporting to use the Citizen Self Reporting system. Specific incidents can be reported online without attending a detachment or waiting for an officer.

You can use this system to report:

- Theft Under \$5,000
- Mischief / Damage to Property Under \$5,000
- Mischief / Damage to Vehicle Under \$5,000
- Theft from Vehicle Under \$5,000
- Lost / Missing Property Under \$5,000 including a licence plate(s) or validation sticker(s)

Do not use this system if this is an emergency! If it is, call 9-1-1.

9-1-1 is for police, fire or medical emergencies only.

Accidental, hang-up or abuse of 9-1-1 calls tie up emergency lines, communicators and officers which could result in the slower response to a real emergency, risking the safety of people who need urgent help.

#KnowWhenToCall

If you've dialed 9-1-1 in error, stay on the line. Your call will be connected to police. Answer all questions asked by the communicator. This eliminates a lengthy follow up process that may lead to officers attending your location to ensure your safety.
