1. **Reports and Correspondence**

Members of the Nuclear Waste Community Advisory Committee participated in a workshop organized by the NWMO. The workshop was facilitated by Consultants from Hills & Knowlton. The workshop was created to guide the development of the Adaptive Phased Management transportation plan. The workshop opened with introductions and the activities included open dialogue about transportation planning framework, modes and routes, the science behind the plan and guiding principles and objectives.

The group had a working lunch from 12:00 p.m. – 1:00 p.m. The workshop concluded at 1:30 p.m.

Chair: Original signed by Mitch Twolan Secretary: Original signed by Kelly Lush

Document Accessibility

The Township of Huron-Kinloss is committed to providing information in the format that meets your needs. We have made every attempt to make documents for this meeting accessible but there may still be difficulty in recognizing all of the information. Please contact us if you require assistance and we will make every attempt to provide this information in an alternative format.

Please note that third party documents received and found within this document will not be converted to an accessible format by the Township of Huron-Kinloss. However, upon request, we will attempt to obtain these documents in an appropriate accessible format from the third party.
