3. Delegations

3.1 Nuclear Waste Management Organization Presentation

Nuclear Waste Management Organization's (NWMO) Manager of Transportation Engagement Caitlin Burley, will provide an update on what the NWMO is hearing from people about planning for the safe transportation of Canada's used nuclear fuel.

Work is underway at the NWMO to ensure the transportation plan will meet two major objectives - it will be technically safe and secure, and it will reflect public priorities and concerns.

Caitlin has a B.Sc. in Biology from the University of Ottawa and Masters of Applied Science and Environmental Management from Ryerson University, and accreditation from the International Association for Public Participation on consultation and dialogue.
