3 . Delegations

3.1 SHAD Youth Enrichment Program Presentation

7:00 PM - SHAD Youth Enrichment Program Presentation. SHAD is a STEM entrepreneurship based enrichment program where participants live at a host university campus outside their hometown, while engaging in experiential learning, sociocultural activities and community building. SHAD Outreach Lead Jess Tang will provide more information on SHAD and how they hope to offer this opportunity to Huron-Kinloss students.

3.2 The Journey of Water – Teachings from Mother Earth about Water and Clay.

Nuclear Waste Management Organization (NWMO) Section Manager, Siting Safety Assessment Erik Kremer and NWMO Senior Advisor, Indigenous Knowledge Jessica Perritt, will present “The Journey of Water – Teachings from Mother Earth about Water and Clay.” This presentation will focus on how NWMO is learning from nature about the unique relationship between water and clay and how that applies to the long-term care of Canada’s used nuclear fuel.

This is the second part of the Journey of Water presentation series from NWMO. In April 2018, NWCAC heard Journey of Water presented by Andre Vorauer, NWMO Senior Technical Specialist for Site Investigations.
